User Manual

NE2-KC146-D

Description

The Sunnylife NE2-KC146-D propeller guard is a precisely designed protective ring for DJI NEO 2 drones. Made from durable TPE material, it weighs only 9g, minimally affecting flight parameters. The product effectively protects the drone's propellers from damage and collisions, increasing safety during use. Its design includes TPE anti-collision straps that further enhance impact resistance, providing long-lasting protection for your equipment.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specification

Brand Sunnylife

Model NE2-KC146

Product Name NE2-KC146-D

Product Type propeller guard / protective ring

Compatibility DJI NEO 2

Material TPE

Construction Features TPE anti-collision straps increasing durability

Net Weight 9g

Gross Weight 22g

Packaging Dimensions (option 1) 175 x 53 x 25 mm

Packaging Dimensions (option 2) 136 x 66 x 21 mm

Collision Resistance provides protection against damage and collisions

Lightweight weighs only 9g, minimally affecting drone flight time

Precise Fit designed specifically for DJI NEO 2, ensuring a perfect fit

Increased Durability TPE straps enhance the elasticity and safety of the drone
