

Θήκη προστασίας Sunnylife για DJI NEO 2 (Πορτοκαλί)

Sunnylife · EAN 5905156105614

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

NE2-KC146-C

Description

The Sunnylife NE2-KC146-C propeller guard is a specially designed protective ring for the DJI NEO 2 drone. The product is made of durable TPE material, used in anti-collision straps, which increases its durability. The total net weight of the accessory is only 9 g. This solution is dedicated to protecting the propellers from damage and collisions while ensuring minimal impact on the drone's flight characteristics.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Furthermore, improper use may pose hazards. Read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If there are any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
