Sunnylife · EAN 5905156105621

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

ON-ZD117

Description

The ON-ZD117 by Sunnylife is a multifunctional extension strap combined with a silicone protective case, dedicated to Osmo Nano accessories. The product features an adjustable length ranging from 129 to 293 mm, allowing for a wide range of applications. Weighing only 24.5g net, it offers mobility while maintaining a sturdy construction. Its dual functionality provides both convenient attachment and protection for the Osmo Nano vision dock.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product to prevent reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
