Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

OA5-BK038

Description

Sunnylife OA5-BK038 is an ergonomic handheld grip with a shutter release, designed for users of OSMO ACTION 5 Pro/4/3 cameras. The product weighs only 59g net, ensuring comfortable use even for extended periods. Its packaging dimensions are 123*72*39mm, indicating a compact design. This grip is an ideal solution for dynamic street photography and vlogging, offering stability and quick response.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product from further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
