User Manual

EP2-BK037

Description

Sunnylife Street Photography Handle EP2-BK037 is an ergonomic handheld grip designed for users of Insta360 Ace Pro 2/1 cameras. The product weighs only 60 g, making it not an additional burden during prolonged use. The integrated quick shutter release increases operational comfort, allowing for instant response to dynamic scenes. This grip is an ideal tool for street photography, vlogging, and outdoor sessions, providing stable and secure camera holding.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product from further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
