User Manual

ON-J062

Description

Sunnylife 360° Rotation Horizontal-Vertical Backpack Clip ON-J062 is a versatile clip for backpacks, designed for Osmo Nano sports cameras. It allows for 360° rotation, enabling free adjustment of the recording angle both vertically and horizontally. The product weighs only 23g, making it extremely lightweight and easy to carry. This model offers flexible mounting on a backpack strap, the side of a cap, or clothing, providing a stable and secure grip for your equipment.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specification

Brand Sunnyslife
