User Manual

GU-BK047

Description

The Sunnylife GU-BK047 mounting adapter is a foldable solution designed for the Insta360 GO Ultra camera. This product, with a net weight of only 10g and packaging dimensions of 71*61*25mm, allows for both vertical and horizontal mounting of the device. Its design integrates a standard 1/4 inch thread and a foldable 2-prong mount, providing wide adaptability in various usage scenarios. This allows the user to flexibly adjust the shot perspective to their needs, regardless of the situation and accessories used.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specification
