

User manual

Sunnylife Shoulder Bag with Strap

Description

The Sunnylife Shoulder Bag with Strap has been designed for users of the DJI RS 5 gimbal who want to conveniently store and safely transport their entire set of accessories in one place. The spacious interior easily accommodates the gimbal, battery grip, quick-release plate, tripod, intelligent tracking module, electric case mount, mounting adapter and additional accessories such as a lens support or a set of screws. Thanks to the well-thought-out interior layout, all components are organised and always ready for use.

Intended use

For safety and certification reasons, the product must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Furthermore, improper use may pose a hazard. Read the user manual carefully and keep it for future reference. Please read and follow the safety instructions contained in the manual.

1. This product is not a toy. Keep it out of the reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapours and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or not functioning correctly), stop using it and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts or dropping the product may cause damage.
6. If you have any doubts regarding operation or safety, please consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service department
(email: hurt@innpro.pl , website: <https://innpro.pl/>) or another specialist.
