Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Sunnylife Bag for Mini 3/Mini 3 Pro

Description

The Sunnylife bag for DJI Mini 3 and Mini 3 Pro is designed for convenient and safe storage of the drone and all essential accessories. The rigid construction effectively protects the equipment from scratches, impacts, and accidental crushing during transport, while the specially fitted interior allows you to store the drone with the original gimbal cover. You also do not need to remove the propellers before stowing the device – just pack the equipment and hit the road.

Intended use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
