

User manual

Sunnylife Insta360 Ace Pro 2/1 Camera Case

Description

The Sunnylife- e case for the DJI Mini has been designed for those who want to store their camera comfortably and safely whilst travelling, out and about, or during everyday use. The model is compatible with the Insta360 X3, ONE X2 and ONE X cameras, and thanks to its clever design, it also allows you to store the ONE X2 with its original lens covers, as well as the Insta360 X3 and ONE X2 models with their factory lens covers. It is a practical solution that allows you to quickly stow your equipment without having to remove the protective accessories.

Intended use

For safety and certification reasons, the product must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Furthermore, improper use may pose a hazard. Read the user manual carefully and keep it for future reference. Please read and follow the safety instructions contained in the manual.

1. This product is not a toy. Keep it out of the reach of children and pets.
2. Protect the product from extreme temperatures and direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapours and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or not functioning correctly), stop using it and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts or dropping the product may cause damage.
6. If you have any doubts regarding operation or safety, please consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service department (email: hurt@innpro.pl , website: <https://innpro.pl/>) or another specialist.
