

User Manual

Sunnylife Camera Case for Insta360 Ace Pro 2/1

Description

This case has been designed specifically for Insta360 Ace Pro 2/1 cameras and related street photography accessories, including the original street photography kit and the Sunnylife BK037 mount. Inside, a precisely molded insert securely holds the equipment in place and effectively protects it against shocks during transport. An additional zippered mesh pocket provides space for batteries, cables, adapters, and quick-release connectors, ensuring that all accessories remain readily accessible.

Use in accordance with the intended purpose

For safety and certification reasons, the product must not be modified or altered in any manner. Using the product for purposes other than those described may result in damage to the product. Moreover, improper use may cause safety hazards.

Carefully read the user manual and retain it for future reference. Read and adhere to the safety instructions provided in the manual.

1. This product is not a toy. Keep out of the reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged or malfunctioning), use must be discontinued and the product secured against reuse.
5. The product must be handled with care. Shocks, impacts, or dropping the product may cause damage.
6. If you have any questions regarding operation or safety, you should consult a qualified professional.
7. If you have any questions not addressed in this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another qualified specialist.
