

User manual

Sunnylife Butterfly Camera Case

Description

The Sunnylife Butterfly photo case has been designed for DJI NEO 2 users who want not only to protect their equipment effectively, but also to give it a unique look. The original butterfly shape makes the accessory an instant eye-catcher and sets it apart from classic, plain cases. The compact design fits the drone perfectly, giving the whole thing an aesthetic and modern look. It is the ideal choice for those who appreciate a combination of functionality and interesting design.

Intended use

For safety and certification reasons, the product must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Furthermore, improper use may pose a hazard. Read the user manual carefully and keep it for future reference. Please read and follow the safety instructions contained in the manual.

1. This product is not a toy. Keep it out of the reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapours and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or not functioning correctly), stop using it and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts or dropping the product may cause damage.
6. If you have any doubts regarding operation or safety, please consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service department
(email: hurt@innpro.pl , website: <https://innpro.pl/>) or another specialist.
