

User Manual

Sunnylife Butterfly Protective Case for DJI NEO 2 Orange

Description

The Sunnylife Butterfly Protective Case has been designed specifically for users of the DJI NEO 2 who seek not only to effectively safeguard their equipment but also to impart a unique character to it. Its distinctive butterfly shape immediately draws attention, distinguishing the accessory from conventional, plain cases. The compact design fits the drone precisely, resulting in a neat and modern appearance. This is an ideal choice for users who value a combination of functionality and distinctive design.

Use in compliance with intended purpose

For safety and certification reasons, the product must not be modified or altered under any circumstances. Using the product for purposes other than those specified may result in damage. Furthermore, improper use may pose safety hazards. Thoroughly read the user manual and retain it for future reference. The safety instructions contained in this manual should be thoroughly read and adhered to.

1. This product is not intended as a toy. Keep the product out of the reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapours, and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or not functioning correctly), use should be stopped immediately, and the product secured against further use.
5. The product must be handled with care. Shocks, impacts or dropping the product may result in damage.
6. Should any uncertainties arise concerning operation or safety, please seek advice from a qualified professional.
7. Should you have any questions not addressed within this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or a qualified specialist.
