

Instruction Manual

Aluminium Clamp Adapter for RS 4 Mini / RS 4 Pro / RS 4 / RS 3 Mini / RS3 / RS 3 PRO / RS2 / RSC 2 / RS 5

Description

The Sunnylife clamp for the DJI RS 4 Mini and RS 4 Pro is manufactured from a robust aluminium alloy, precisely machined utilizing CNC technology, providing excellent resistance to damage, structural rigidity, and dependable performance in daily operation. The lightweight yet exceptionally robust construction is suitable for both dynamic shots in outdoor environments and professional studio productions. This practical accessory is intended for users who require a stable and secure mounting of additional equipment.

Use in accordance with the designated purpose

For reasons of safety and certification, the product must not be modified or altered in any manner. Use of the product for purposes other than those specified may result in damage to the product. Improper use may furthermore give rise to potential risks.

Thoroughly read the instruction manual and retain it for future reference. Users must read and adhere to the safety instructions provided within the manual.

1. This product is not a toy. Keep the product out of reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, elevated humidity, moisture, flammable gases, vapours, and solvents.
3. Avoid subjecting the product to mechanical loads.
4. If safe operation is no longer feasible (the product is damaged or malfunctioning), use must be ceased immediately and the product secured to prevent re-use.
5. The product should be handled with the utmost care. Shocks, impacts, or dropping the product may result in damage.
6. Should there be any uncertainties concerning operation or safety, it is advised to seek assistance from a qualified professional.
7. Should you have any questions not addressed within this manual, please contact our customer service department via email at hurt@innpro.pl, through our website at <https://innpro.pl/>, or consult an alternative specialist.

Specifications

Model: RO-HC522

Compatible models: RS 5 / RS 4 / RS 4 Mini / RS 4 Pro / RS 3 Mini / RS 3 / RS 3 PRO / RS2 / RSC 2

Material: Aluminium alloy

Weight: 53 g

Manufacturer:

SDSHOBBY Technology Industrial Limited

2nd Building, 5th Floor, Long Hua District, Shenzhen, 518131, China
