

User Manual

Sunnylife DJI FPV ACTION 2/GoPro 10 Mount

Description

The Sunnylife DJI FPV ACTION 2/GoPro 10 mount is a functional accessory specifically designed for DJI FPV drone users to securely and conveniently attach an additional action camera. Its design has been engineered to fit precisely onto the drone's body, ensuring stability even during dynamic manoeuvres. Equipped with three specialised clips, the mount firmly locks onto the device's body, with an additional screw fixation providing enhanced security during flight.

Use in accordance with the intended purpose

For safety and certification reasons, the product must not be modified or altered in any manner. Use of the product for purposes other than those specified may result in damage to the product. Furthermore, use contrary to the intended purpose may present safety hazards.

Read the user manual thoroughly and retain it for future reference. The safety instructions contained within this manual must be read and adhered to.

1. This product is not a toy. Keep this product out of the reach of children and animals.
2. Protect the product against extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapours, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged or is not functioning correctly), use must be ceased immediately and the product prevented from being used again.
5. The product must be handled with caution. Shocks, impacts, or dropping the product may result in damage.
6. If there are any uncertainties concerning operation or safety, it is necessary to consult a qualified professional.
7. Should you have any enquiries not addressed within this manual, please contact our Customer Service Department via email at hurt@innpro.pl, through our website at <https://innpro.pl/>, or consult a qualified specialist.
