

Instruction Manual

Sunnylife CPL Filter

Description

The Sunnylife CPL filter has been engineered to provide optimal control over light and reflections, thereby delivering a clearer, higher contrast image under demanding conditions.

Adjustable CPL filters allow the effect to be customised to the specific scene, while the rotatable gold-coloured rings enable precise setting of the polarisation angle. This allows you to swiftly configure the filter's operation according to your requirements, achieving precisely the effect you intend to capture within the frame.

Use in compliance with the intended purpose

For safety and certification reasons, the product must not be modified or altered in any manner. Use of the product for purposes other than those specified may result in damage. Moreover, improper use may present hazards.

Read the instruction manual thoroughly and retain it for future reference. All safety instructions contained within the manual must be read and adhered to.

1. This product is not a toy. Keep the product out of the reach of children and animals.
2. Ensure protection of the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (for instance, if the product is damaged or malfunctioning), use must be ceased immediately and the product prevented from further use.
5. The product should be handled with utmost care. Shocks, impacts or dropping the product can result in damage.
6. Should any doubts arise concerning usage or safety, please consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service department (email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult another expert.

Specification

Model: MM3-FI414

Compatible models: MINI 3 / MINI 3 PRO

Weight: 0.9 g

Package dimensions: 6.8 x 6.8 x 1.1 cm

Manufacturer:

SDSHOBBY Technology Industrial Limited

Long Hua District, 2nd Building / 5th Floor, 518131 Shenzhen, China

Responsible Entity in the European Union & Importer:

INNPRO Robert Błędowski sp. z o.o.,
Rudzka 65C, 44-200 Rybnik, Poland.
