

User Manual

Sunnylife Flip ND16 Neutral Density Filter

Description

The Sunnylife Flip ND16 is an ultra-lightweight filter, weighing approximately 0.5 grams, engineered to avoid impacting gimbal performance or imposing additional load on the drone's structure. This design permits full utilization of gimbal stabilization while providing enhanced exposure control and enabling smoother footage in bright lighting environments. This product is engineered for creators seeking uncompromising maximum quality alongside optimal flight ergonomics.

Use in Accordance with Intended Purpose

For safety and certification compliance, the product must not be modified or altered under any circumstances. Using the product for purposes other than those specified may result in damage to the product. Additionally, unauthorized use may present safety hazards.

Thoroughly read the user manual and retain it for subsequent reference. All safety instructions provided in this manual must be read carefully and strictly followed.

1. This product is not a toy. Ensure the product is kept out of the reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Avoid subjecting the product to mechanical stress.
4. If safe operation is no longer possible (e.g., the product is damaged or malfunctioning), cease use immediately and prevent the product from being used again.
5. Handle the product with care. Shocks, impacts, or dropping the product may result in damage.
6. In case of any uncertainties concerning operation or safety, please consult a qualified technician.
7. Should you have any questions not addressed within this manual, please contact our customer service department via email: hurt@innpro.pl, website: <https://innpro.pl/>, or consult another qualified specialist.

Specifications

Model: FP-FI962-16

Compatible Models: FLIP

Materials: PC and Optical Glass

Weight: 0.5 g per unit

Dimensions: 16 × 22 mm

Manufacturer:

SDSHOBBY Technology Industrial Limited

Long Hua District, 2nd Building / 5th Floor, 518131 Shenzhen, China

Responsible party in the EU and Importer:
