

User Manual

Sunnylife Magnetic Neck Mount for Insta360 GO Ultra / Mic

Description

The Sunnylife Magnetic Neck Mount is designed for Insta360 GO Ultra and Insta360 MIC cameras, offering wide compatibility within the series. The integrated strong magnet system guarantees stable and secure camera attachment, even during vigorous outdoor activities. The mount supports both vertical and horizontal installation, allowing users to adapt the recording orientation to specific situations and capture additional footage.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any manner. Use of the product for purposes other than those specified may cause damage to the product. Moreover, improper use may present safety hazards.

Carefully read the instruction manual and retain it for future reference. Read and comply with the safety instructions contained in the manual.

1. This product is not a toy. Keep out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged or malfunctioning), discontinue use immediately and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or drops may cause damage to the product.
6. If there are any uncertainties concerning usage or safety, please seek advice from a qualified professional.
7. If you have any questions not addressed in this manual, please contact our customer service department

via email at hurt@innpro.pl or visit our website at <https://innpro.pl/>, or consult another specialist.
