

Instruction Manual

Sunnylife Aluminum Bidirectional Mounting Adapter for Osmo Nano / Action 6

Description

The Sunnylife Dual-direction Adapter is a contemporary magnetic mounting accessory designed for OSMO Nano and DJI Osmo Action 6 cameras, allowing rapid mounting and removal in either direction. Its bidirectional quick-release design enables the camera to be secured within seconds, eliminating unnecessary procedures and downtime. This solution is intended for users who require immediate operation, regardless of recording circumstances or environmental conditions.

Intended Use

For safety and certification purposes, it is prohibited to modify or alter the product in any manner. Use of the product for purposes other than those specified may result in damage to the product. Additionally, improper use may pose safety risks.

Read the user manual carefully and retain it for future reference. It is imperative to read and comply with all safety instructions contained in the manual.

1. This product is not a toy. Keep out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or malfunctioning), discontinue use immediately and secure the product to prevent any further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any uncertainties concerning operation or safety, please consult a qualified specialist.
7. If you have any questions not addressed in this manual, please

contact our customer service department
(email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult another specialist.
