

User Manual

Sunnylife Quick-Release 1/4" Mount with 180° Rotation for Insta360 X4 Air / X5 / Ace Pro 2 / 1 / Ace

Description

The Sunnylife 1/4" quick-release mount has been engineered to provide optimal convenience when operating Insta360 action cameras, ensuring full compatibility with the X4 Air, X5, Ace Pro 2, Ace Pro 1, and Ace models. Its universal mounting system allows for straightforward integration with widely used accessories such as selfie sticks and tripods equipped with a 1/4" thread, enabling rapid transitions between different recording setups without unnecessary interruptions.

Use in accordance with the intended purpose

For safety and certification purposes, the product must not be modified or altered in any manner. Using the product for purposes other than those specified may cause damage to the product. Furthermore, non-compliant use may pose safety risks.

Thoroughly read the user manual and retain it for future reference. Safety instructions contained in this manual must be read carefully and adhered to strictly.

1. This product is not a toy. Keep the product out of reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged or malfunctioning), discontinue use immediately and secure the product to prevent further operation.
5. Handle the product with due caution. Shocks, impacts, or dropping the product may cause damage.
6. If there are any uncertainties concerning operation or safety, please consult a qualified professional.
7. If you have any questions not addressed in this manual, please contact our Customer Service Department
