User Manual

Sunnylife Magnetic Mounting Base for Osmo Nano / Action 6

Description

The Sunnylife 360 Mount is a multifunctional magnetic holder designed for Insta360 X5, X4 Air, and Ace cameras, and is also compatible with DJI Osmo Nano and Osmo Action 6. With a bidirectional magnetic base and adapter design, the accessory provides flexible fitting for various devices and recording scenarios, offering stable and secure mounting in any situation.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards.

Read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
