

User Manual

Sunnylife Magnetic 360° Mount for Insta360 GO Ultra

Product Description

The Sunnylife Magnetic 360° Mount is a precisely engineered mounting solution compatible with the Insta360 GO Ultra, providing secure and stable camera retention in all conditions. Due to its magnetic design, installation is rapid, intuitive, and requires no additional tools, thereby significantly enhancing efficiency during work in the field. This solution is specifically developed for creators who demand reliability and flexibility when recording dynamic footage.

Intended Use

For safety and certification purposes, the product must not be modified or altered in any manner. Use of the product for purposes other than those specified may result in damage. Moreover, improper use may constitute a safety hazard.

Thoroughly read the user manual and retain it for future reference. Ensure to read and adhere to all safety instructions provided in the manual.

1. This product is not a toy. Keep the product out of the reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged or malfunctioning), discontinue use immediately and secure the product to prevent further operation.
5. Handle the product with care. Shocks, impacts, or dropping the product may result in damage.
6. Should any uncertainty arise concerning operation or safety, please refer to a qualified specialist.
7. Should you have any questions that are not addressed within this manual, please

contact our Customer Service Department
(email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult an authorized specialist.

Specifications

Manufacturer: Sunnylife
