

User Manual

Sunnylife AD10 Mount

Description

The Sunnylife AD109 mount features a dual-direction magnetic system that enables quick mounting and removal of the camera within seconds. This dual-direction design allows for convenient installation regardless of orientation, greatly enhancing efficiency in fast-paced environments. It is the ideal solution for users who frequently change camera angles and need optimal operational speed without unnecessary downtime.

Use in accordance with the intended purpose

For safety and certification compliance, the product must not be modified or altered in any way. Using the product for purposes other than those specified may cause damage. Moreover, use not in accordance with the intended purpose may pose safety hazards.

Thoroughly read the user manual and retain it for future reference. Ensure to read and adhere to all safety instructions provided in the manual.

1. This product is not a toy. Keep out of reach of children and pets.
2. Protect the product against extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or malfunctioning), use must be discontinued and the product secured to prevent further use.
5. Handle the product with care. Shock, impact, or dropping the product may cause damage.
6. Should any doubts arise concerning operation or safety, please consult a qualified specialist.
7. If you have any questions not addressed in this manual, please

contact our Customer Service Department
(email: hurt@innpro.pl, website: <https://innpro.pl/>) or consult another specialist.
