

User Manual

Foldable Magnetic Holder with 360° Rotation for Osmo Nano

Product Description

The Sunnyslife 360° is a multifunctional holder that integrates a magnetic mount with an adjustable tabletop stand. Specifically designed for the DJI Osmo Nano camera, it enables enhanced recording capabilities and allows easy adjustment of the setup to suit various operational scenarios. Its well-considered design facilitates rapid device mounting, providing secure and stable support for filming at home, in the studio, or outdoors.

Use strictly in accordance with the intended purpose

For safety and certification reasons, the product must not be modified or altered under any circumstances. Use of the product for purposes other than those specified may cause damage. Moreover, improper use may result in safety hazards.

Read the user manual thoroughly and retain it for future reference. All safety instructions contained within the manual must be read and strictly observed.

1. This product is not a toy. Keep the product out of the reach of children and animals.
2. Protect the product from extreme temperature conditions, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapours, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation can no longer be ensured (for example, if the product is damaged or does not function correctly), use must be discontinued immediately and the product secured to prevent further use.
5. The product must be handled with utmost care. Shocks, impacts, or accidental drops may result in damage to the product.
6. Should any uncertainties arise concerning operation or safety, it is recommended to seek advice from an appropriately qualified specialist.
7. Should you have any questions not addressed within this manual, please

contact our customer support department

(email: hurt@innpro.pl, website: <https://innpro.pl/>) or an appropriate specialist.

Specifications

Manufacturer Sunnyslife
