Sunnlylife · EAN 5905316140035

Machine translation from Polski. In case of doubt the manufacturer's original manual prevails.

User Manual

Brand: Sunnlylife

Case for 2 Sunnlylife Batteries for DJI Mini 3 Pro

Description

Do you want to extend the operating time of your drone? Equip yourself with a practical case and ensure safe transport of batteries for the DJI Mini 3 Pro. The Sunnlylife case is made of high-quality material and is resistant to high temperatures; it also features a practical Velcro strap, allowing you to open it conveniently. The case is perfect for storing two batteries.

Intended Use

It is intended for indoor use only. Using the device outdoors is not permitted. Contact with moisture, e.g., in the bathroom, etc., must be unconditionally avoided. For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Tips

Please read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
