Sunnyslife · EAN 5905316140950

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Sunnylife
OA3-B511

Description

The Sunnylife bag is dedicated to the DJI Osmo Action 3 camera. The rigid and sturdy construction provides effective protection against shocks and damage during transport, while the specially designed compartments are perfectly suited for the device and accessories. Transport is made easier with a practical handle.

Intended use

For safety and certification reasons, the product must not be modified or altered in any way. Using it for purposes other than those described may result in damage. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety usage instructions.

Please read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If there are any questions not answered in this manual, please contact our customer service office or another specialist.
