Sunnylife Tablet Holder for DJI RC-N1 Controller (ZJ508)

Description

The product allows you to place the screen above the controller, enabling you to fly comfortably and have direct access to the image from your drone. It is compatible with tablets and phones of various sizes (7.9/9.7/10.2/10.5/11 inches) and does not obstruct the display. Furthermore, the product is foldable, so it does not require disassembly after use — simply fold it and store it together with the controller in the case.

Intended Use

It is intended for indoor use only. Using the device outdoors is not allowed. You must unconditionally avoid contact with moisture, e.g., in the bathroom, etc. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Tips

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product from reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product,

consult a qualified professional.

7. If you have any questions not answered in this manual, please contact our customer service office or another specialist.
