Sunnylife bike mount for DJI RC 2 controller

User manual

Description:

The Sunnylife bike mount is designed for drone enthusiasts and active leisure. It allows for free operation of the DJI RC 2 controller while riding a bike, enabling dynamic shots without the need to stop. It is made of machined aluminum alloy, which ensures durability and safe use. Thanks to its precisely fitted design and sturdy screws, the accessory securely connects to the controller, eliminating the risk of accidental disconnection.
