Quick Mounting Bracket 1/4 Sunnlylife for DJI Action 2/3/4

Description

The product offers a strong magnet and additional clips made of aluminum alloy, which ensures your device's necessary stability and safety. It is equipped with both a 1/4 inch hole and 2 folding pins. This means it is compatible with many different accessories, such as tripods, extension poles, or bicycle handlebar mounts. It is also very easy to install and fits DJI Action 2, DJI Osmo Action 3, and DJI Osmo Action 4 cameras.

Intended Use

It is intended for indoor use only. Using the device outdoors is not allowed. Contact with moisture, e.g., in the bathroom, etc., must be unconditionally avoided. For safety and certification reasons, the device cannot be modified or changed in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Usage Tips

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If there are any questions not answered in this manual, please contact our customer service office or another specialist.
