4 ND/PL Filters 8, 16, 32, 64 Sunnylife for DJI MINI 4 PRO (ID: 37081)

Description

The filter set designed for the DJI Mini 4 Pro drone will help you achieve the desired results! It includes ND8/PL, ND16/PL, ND32/PL, and ND64/PL filters. Each of them is made of high-quality optical glass, which ensures vivid colors and allows you to capture a clear, detail-rich image. They are also resistant to water, grease stains, and scratches. They are very easy to install and lightweight.

Intended Use

It is intended for indoor use only. Using the device outdoors is not allowed. You must unconditionally avoid contact with moisture, e.g., in the bathroom, etc. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Usage Tips

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If you have any questions that are not answered in this manual, please contact our customer service office or another specialist.
