Description

The Sunnylife universal mount is compatible with most action cameras (such as GoPro, DJI Action), and thanks to the three silicone rings of different diameters included in the set, it fits many handlebar models. The accessory is made of durable materials and is equipped with a special non-slip pad that ensures greater stability and protects against scratches. You can also adjust the tilt of the mounted camera (up to 180°) and rotate it within a range of 360°.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using it for purposes other than those described may result in damage. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Tips for Use

Please read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office or another specialist.
