User Manual

Protective Case SUNNYLIFE for DJI Avata 2 (green)

Description

Are you looking for solid protection for your DJI Avata 2 drone that ensures safety during flights? The Sunnylife protective case is the perfect solution that provides comprehensive protection for your DJI Avata 2 drone. With a special protective plate, it effectively protects against scratches and impacts, especially during Turtle Mode. Made from durable plastic, the case effectively absorbs impact force, protecting the drone from mechanical damage. Despite its robust construction, it is extremely lightweight – weighing only 10 g, so you don’t have to worry about additional burden for the drone.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Tips for Use

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: https://innpro.pl/) or another specialist.
