Waterproof case for Osmo Action 3

Description

Here is the latest addition to your Osmo Action 3 - a 40-meter waterproof case with diving filters! Dive deeper into the underwater world with confidence, as this case boasts an impressive waterproof rating of 40 meters. Regardless of water pressure, its excellent durability and sealing ensure that the device remains dry and protected, allowing you to explore submerged landscapes with ease. Experience unparalleled clarity and true color restoration thanks to its high resolution and high transparency. Whether you are capturing vibrant coral reefs or elusive marine life, this case guarantees crystal-clear images that reflect the beauty of the underwater world in all its glory. Built to withstand extreme environmental conditions, this case is both shock-resistant and dustproof. Made from materials known for their exceptional hardness and durability, it provides reliable protection against impacts and keeps unwanted particles out, ensuring that the device remains safe and functional in any situation. Equipped with 306 stainless steel buttons, this case offers not only functionality but also durability. Resistant to oxidation and corrosion, these buttons ensure smooth operation even in challenging underwater conditions, allowing you to easily navigate the features of your Osmo Action 3 with confidence. Available in three vibrant colors, this case not only enhances the functionality of your device but also adds a touch of style to your underwater adventures. Explore the depths with confidence and capture every moment in stunning detail with the 40-meter waterproof case with diving filters for Osmo Action 3.

Intended use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety usage instructions

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.

4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
