

Drones battery bag Sunnylife

Sunnylife · EAN 5906168437533

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Sunnylife Battery Bag for Drones

Description

The Sunnylife battery bag is a reliable solution for every drone enthusiast, ensuring safety, compatibility, and protection in one. Made from heat-resistant and splash-proof material, it effectively protects your batteries in case of accidental spills or water splashes. It is suitable for most types of batteries and charging stations. Its universal design ensures easy fitting and functionality, making it an ideal solution for every drone user.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may damage the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

You must read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specification

Model: DC830
