User Manual

Sunnylife Lens Cover for Insta360 GO3S

Description

The Sunnylife lens cover designed for the Insta360 GO3S camera provides an essential protective barrier that safeguards against scratches, dust, and other everyday hazards. Made from durable materials, the cover effectively absorbs impacts and protects delicate optical components from accidental damage. It is lightweight and does not significantly increase the size of the device. The set includes two covers, allowing for easy replacement if needed or having a spare cover, ensuring continuous protection regardless of the circumstances.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
