User Manual

Chest Strap Sunnylife for DJI RC Plus

Description

The Sunnylife support strap for DJI RC Plus is an innovative solution designed to enhance the comfort of using the controller during long operational sessions. With its ergonomic design, this strap not only provides comfort but also reduces the strain on the arms and back, which is particularly important during intensive drone use. It perfectly adapts to the user's body shape, making the operation of the controller more efficient and comfortable.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
