

Sunnylife motorcycle mount for sports cameras

Sunnylife · EAN 5907085520261

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Motorcycle Mount Sunnylife for Sports Cameras

Description

Discover new recording possibilities while riding with the sports camera mount. Designed for motorcycle enthusiasts, it provides a secure hold for the camera on the front windshield, ensuring that your device is safe and stable while riding. Made from high-quality aluminum alloy and equipped with a silicone insert, it combines durability with functionality, offering you reliable support in creating amazing videos.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may damage the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Tips for Use

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specification

Model: ZJ846
