User Manual

Landing Pad SUNNYLIFE for DJI Neo 35 cm

Description

The Sunnylife mat allows for safe landing of the drone. Its double-sided design in different colors makes it easier to locate the drone during landing. With this solution, you can be sure that your drone will always find its place, and you will avoid unnecessary complications.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.
