Osmo Action 2 / 3 / 4 / 5 PRO

Sunnylife · EAN 5907085520827

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Magnetic Quick Mount Holder SUNNYLIFE for DJI Osmo Action 2 / 3 / 4 / 5 PRO

Description

The magnetic quick mount holder is the perfect accessory for owners of OSMO ACTION 5 PRO/4/3/2 cameras, providing convenience and versatility in any situation. With a double locking mechanism consisting of a strong magnet and a locking system, you can be sure that your camera will stay in place, eliminating concerns about losing it even during intense activities.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
