

Sunnylife overlay for DJI Neo

Sunnylife · EAN 5907085520889

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Sunnylife Attachment for DJI Neo

Description

Discover new possibilities for fun with the attachment for DJI NEO, which combines advanced drone technology with the joy of building with construction blocks. It offers unlimited creative possibilities, allowing for the development of imagination and practical skills. Thanks to its versatility, every NEO user can enjoy plenty of fun creating unique structures that will enhance their flying experience.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product from further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
