Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Foldable Tablet Holder Sunnylife ZJ886-GY for RC-N1, RC-N2, and RC-N3 Controllers

Description

The Sunnylife ZJ886-GY foldable holder is a practical accessory for the RC-N1, RC-N2, and RC-N3 controllers used with DJI drones such as Mini 3 Pro, Air 3, and others. With it, you can easily mount a tablet instead of a smartphone and enjoy a larger screen while controlling the drone. The holder supports tablets with a thickness of up to 22 mm, so you do not need to remove the protective case.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
