Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Sunnylife EP2-BHM917 Tempered Glass Film Set for Insta360 Ace Pro 2 (6 pcs)

Description

The Sunnylife EP2-BHM917 protective film set is designed to provide maximum protection for the screen and lens of the Insta360 Ace Pro 2 camera. With the use of high-strength tempered glass and excellent transparency, this product combines functionality with aesthetics, protecting the camera from damage and dirt.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
