User Manual

Sunnylife Case for NEO Motion Fly More Combo (073535)

Description

The Sunnylife AQX-17 case has been designed for comprehensive protection and convenient transport of the DJI Neo Motion Fly More Combo set. With its large capacity and sturdy construction, it performs excellently even in challenging conditions. Special compartments allow for stable storage of the drone, RC Motion 3 controller, DJI Goggles N3, charging hub, and six batteries (including one in the drone and three in the hub).

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
