User Manual

Sunnylife OP3-K933 Protective Case for Osmo Pocket 3

Description

The Sunnylife OP3-K933 protective case is an excellent accessory for Osmo Pocket 3 owners who value the safety of their device and ease of use. Thanks to the innovative Flip Open Design system, you can quickly and easily access the camera without having to remove the cover. The durable plastic and additional silicone strap provide full protection for the gimbal, housing, and screen against scratches, impacts, and dust. The set includes two straps in different colors, allowing for personalization of the appearance. The compact dimensions and lightweight design make the case convenient for transport and ideal for everyday use.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Please read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product,

consult a qualified professional.

7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
