Sunnylife · EAN 5907085525129

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Mini Protective Case Sunnylife FP-SN953-GY for DJI FLIP

Description

The mini protective case Sunnylife FP-SN953-GY for DJI FLIP combines unique design with top-level functionality. Thanks to precise workmanship, compatibility with original gimbal and lens covers, as well as additional features like a shoulder strap and carabiner, the case guarantees solid protection against shocks and dust while highlighting the original look of your drone.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may damage the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our

customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
