User Manual

Sunnylife Mini B977-D Protective Case for DJI RC Controllers

Description

The Sunnylife Mini B977-D protective case is the perfect combination of elegance, functionality, and reliable protection for your DJI RC controller. Made from high-quality PU leather and EVA material, it provides protection against moisture, dust, and shocks, while the soft, scratch-resistant cover protects the device's screen. The innovative design allows for storage of the device without the need to remove the joysticks, and the precisely molded internal insert effectively absorbs impacts. An additional carabiner makes the case not only functional but also extremely portable.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Instructions

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product,

consult a qualified professional.

7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
