User Manual

Sunnylife Propeller Guards for DJI Flip (Orange)

Description

Sunnylife Propeller Guards for DJI Flip are an essential accessory for any pilot who wants to minimize the risk of damage during flight. With reinforced protective straps made of flexible TPE, the drone gains additional resistance to collisions, which translates to greater safety for both the equipment and the environment. The guards have been specifically designed for the DJI Flip model, ensuring a perfect fit to the drone's structure and exceptional durability.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our

customer service office (email: hurt@innpro.pl, website: https://innpro.pl/) or another specialist.
