User Manual

Multi-functional Shoulder Bag Sunnylife

Description

The multi-functional shoulder bag Sunnylife is an essential accessory for every DJI RS 4 Mini owner who values not only the safety of their equipment but also the convenience of transport. Thanks to the precise shaping of the internal form, the bag securely holds the gimbal and all necessary accessories – from the tripod, through quick-release plates, to the handle itself. A large mesh pocket with a zipper allows for organized storage of additional items.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
