

User manual

Sunnylife protective case for DJI Osmo Pocket 3

Description

The Sunnylife protective case has been designed to provide comprehensive protection for the DJI Osmo Pocket 3 camera. Thanks to its refined design, it protects the gimbal, screen and lens at the same time, which is especially useful during transport and storage. It is a convenient solution for people who often use their camera while travelling and want to ensure that their equipment is well protected against scratches, dust and shocks.

Intended use

For safety and certification reasons, the product must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. In addition, improper use may result in hazards. Read the user manual carefully and keep it for future reference. Read and follow the safety instructions in the manual.

1. This product is not a toy. Keep it out of reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapours and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or does not work properly), stop using it and secure it against further use.
5. Handle the product with care. Shocks, impacts or dropping the product may cause damage.
6. If you have any doubts regarding operation or safety, please consult a qualified specialist.
7. If you have any questions that are not answered in this manual, please contact our customer service department
(email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
