User Manual

Sunnylife Bag for OSMO 360/ Insta360 GO Ultra/ OP 3/ action camera/ smartphone/ OSMO

Description

Sunnylife B018 is a versatile organizer designed for video creators and photography enthusiasts. It is perfectly suited for the DJI Osmo Pocket 3, but it also works well with action cameras, smartphones, and other accessories. It provides full protection for your equipment and convenience in transport, and additionally offers a waterproof surface, shock resistance, and special compartments that will help you keep everything organized.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
